CELEBRATING THE MOON

Last September, Austrian artist Peter Paul Tschaikner launched the moon celebration with a 1992 poster calendar showing the various lunar phases throughout the year. Next year, he plans a Bahasa Malaysia version of it.

THE CAMBODIA LIMB PROJECT

Malaysians can now help provide artificial limbs for Cambodians through The Cambodia Limb Project of Malaysia. The "Partners in Service" joint effort of the Rotary Club of Pudu and various organisations will be launched by Minister of National Unity and Social Development Datuk Napsiah Omar on April 20.
